

# Professional underwear for EMS training, fitness, yoga ...

## 3 models, you choose

Ecological sports functional underwear for EMS training, fitness and yoga, very durable, well-fitting to the body, flexible and durable, comfortable, covers the arms and legs. In the form of a one-piece jumpsuit and two-piece outfits. Made from an organic certified fabric.

Excellent for all types of training: EMS training, running, bike, fitness, gym, yoga, pilates, walking, Nordic walking, and more. Suitable for all seasons.

- **NEW - one-piece suit with zip at the front, comfortable, aesthetic appearance, long sleeves and legs covering the whole body**
- **two-piece dress, knee-length pants, 3/4 sleeve blouse, comfortable classic solutions**
- **two-piece dress, pants with a long leg, blouse with long sleeves, covers the whole body**

For which the new solution in the form of a one-piece suits with a zipper is better:

- cheaper
- without tabs on the waist
- easier putting on
- better fit to the shape of the body

Material: viscose 90%, elastane 10%

Sizes: from XS to 5XL (EU standard)

Origin: Poland (EU)

Additional options: placing the customer's logo of any color and designs
